

Carta Dei Vini

Collaboration, celebration and generational are just some of the ideals that underpin our purpose at Grossi Fiorentino. From how we coordinate teams, to menu creation and as an extension, how we organise our Cellars. Building a wine list like ours takes time, patience, skill and above all a passion for storytelling. Just as a menu would speak to our Italian heritage while highlighting amazing local produce, so does the selection of bottles we have listed for you in the following pages. These wines showcase the region where they spring from, the personality of a time and place or tell the story of a grape travelling half way across the world to find a new home and a new expression. Ultimately however, these wines are here to help you punctuate the moments for which we are honoured to host you, those moments that make wine all the more delicious. We look forward to exploring these wines with you at the table.

Salute

Grossi Beverage Team

Avvinare is the process where we prime the glass with the wine you are about to enjoy. This ensures that nothing can dull or take away from the flavours and aromas of the wine ensuring an unadulterated wine experience. An initiative introduced by Guy in the early 2000's the practice endures and has become a staple of the wine service at Grossi Fiorentino.
